No goods or services were exchanged for this donation

At the Kenyon Hodges Computer Learning Center we strive to bridge the Digital Divide by fulfilling our mission to provide academic enhancement to the youth of the community and to bring life-enriching programs to the community at large; aimed at promoting self-sufficiency, health, and well being.

We are, once again, organizing our Housing with Heart fundraising campaign that will be held on **September 21, 2011** and would like to afford you the opportunity to support the services being offered to the community and give your business the benefit Sponsorship, the placement of an advertisement in our Ad Journal or purchase of a centerpiece in memory or honor of a loved one. Sponsors will be displayed in all communications, each attendee receives an Ad Journal and center prices will be located on every table.

Our last campaign exceeded our expectations. We met our goal of raising \$20,000 and had over 100 friends and neighbors attend the event. This year, the center has increased its programming choices to the residents. We have increased our volunteer opportunities and improved the quality of life for our residents because of our commitment to the community.

We will be offering full page red ads for \$ 100 as well as half page at \$ 60, quarter page at \$ 30 and single line patron ads for \$ 2.00 (45 character limit, including spaces-patron ads only). We also feature two full page crimson ads for \$ 250 each. These two ads will appear on the inside and outside back cover of the journal (the premium spots). Please reply early to ensure that your ad has the best spot possible. Should you have any questions or concerns regarding the ad or the journal, *please call Laura Dempsey at 609-989-8500 x116 You may also e-mail [heart@kbhousing.org](mailto:heart@kbhousing.org) It's that easy!*
